|------------------------------------|---|
| Offer Number:                      | 379294  |
| Brand:                             | OMET  |
| Model:                             | X-FLEX X6 430   |
| Manufacturer                       | OMET  |
| Condition:                         | Good  |
| Year:                              | 2013  |
| Incoterm:                          | EX Works  |
| Cylinders Condition:               |   |
| Under Power:                       | Yes   |
| Still in production:               | Yes   |
| Test possible:                     | Yes   |
| Complete and in working condition: | Yes   |
| Availability:                      |   |
| Counter:                           |   |
| Machine number:                    |   |
| Description:                       | Maximum speed (dependent on printing size): 660 FPM - 200 m/minute<>Maximum web width: 430 mm (17")<>Flexo Printing repeat range: 12" - 25"<>Flexo Printing repeat range (only reel to reel): 304,8 - 635 mm<>Maximum flexo printing width: 420 mm (16" ½)<>Substrate thickness range: 12 micro - 250 gr/sqm<>Web tension: 4-30 kg<>Main PLC Schneider Electric<>Drivers and motors Emerson - Control Techniques<>Standard machine voltage 400/480 V AC three-phase<>+ 50/60 Hz. + Earth<>Regulations "CE" Mark<>1 Basic press XFlex X6 430 for the printing of filmic and pressure sensitive stock, complete of:<>- Automatic tension unwinder, for rolls up to 1000 mm (40") diameter, with integrated roll pick up from the floor,<>- Servo-driven infeed section, with automatic web tension control,<>- Servo-driven outfeed section with independent motor<>- Mounting frame for slitting systems (not included, quoted separately)<>- Pair of web break detectors<>- Single shaft rewinder, with independent motor for constant tension control, for rolls up to 1000 mm (40") diameter, including |

integrated roll discharge system.<>- Operator Interface, through a touch screen panel<>- Unwinder and rewinder 450 kg<>SERVODRIVEN AND GEARLESS FLEXO PRINTING UNIT<>8 SHAFTLESS and GEARLESS Direct Drive flexo printing unit, complete with sleeve system plate change over. Includes:

## Technical details

|                      |                  |
|----------------------|------------------|
| Max. Web width:      | 430 mm           |
| Max. Print width     | 420 mm (16" 4/8) |
| Max mechanical Speed | 660 FPM          |
| HS Code              | 84431600         |
