<p>Description</p>	<p>Stahlfolder TH 82-P sets new standards in industrial signature production. Thanks to the innovative shingled folding principle, you can increase your output by over 50% - and improve folding quality at the same time. The automated Push to Stop processes ensure a constant, predictable net output across all print runs.</p> <p>Globally unique shingled folding principle The folded sheets are not fed individually with sheet spacing, but shingled, meaning overlapping. This reduces the effective infeed length</p> <p>Fully automatic pocket folding machine</p> <p>1.
